## Bicycle Reminders & Security Tips

**Protect Your Bike: Register your bike with UPD & Sign Up for the UHS bike storage.**

Cal Poly Pomona is committed to supporting the needs of cyclists on campus. Bicycle security is a priority for Cal Poly Pomona, and there are several measures you can take to prevent bicycle theft. By adhering to following the guidelines, you can optimize the security of your bicycle.

1. **Use Designated Bike Racks:** Avoid theft by utilizing permanent, fixed anchored bike racks located around campus. Refrain from securing your bike to small trees, handrails, posts, benches or chain-link fences. You can find a map of designated bike rack locations [here](insert link).
2. **Always Lock Your Bike:** Whether you are storing your bike in a garage, residence hall room, apartment, or briefly leaving it unattended, utilizing a lock is imperative.
3. **Choose a U-Shaped High-Security Lock:** Opt for a good quality, sturdy U-lock for enhanced protection, as lightweight cable or chain locks may not provide sufficient security and can be easily cut. For added security, consider using both types of locks.
4. **Properly Attached and Secure the Lock:** Maximize security by positioning your bike frame and wheels to occupy as much open space within the U-portion of the lock as possible. A tighter lock-up makes it more challenging for thieves to use a pry bar and open the lock.
5. **Secure Components and Accessories:** Pay special attention to components that can be easily removed, such as quick-release wheels or seats. Bike shops offer security devices for added protection.

*In the event of bicycle theft on campus, report the incident promptly to the Cal Poly Pomona Police Department at (909) 869-3070.*

### Bicycle Registration:

Registering your bicycle at Cal Poly Pomona is a crucial step in safeguarding your bike, identifying your bike, and deterring theft. The following are benefits to registering your bike:

1. **Deterrent to Theft:** Having your bike's serial number on file makes it more challenging for thieves to resell.

2. **Proof of Ownership:** In case you forget your lock combination or lose your key, having your bike registered serves as proof of ownership when requesting for a bike lock removal. CPP UPD will be unable to cut a bicycle lock unless ownership can be proven.
3. **Recovery if Stolen:** In the unfortunate event of loss or theft, registered bikes have a higher likelihood of being returned if located.

### UHS Bike Storage:

UHS Bike Storage is located on the exterior of Sicomoro Hall (Building 73) and Secoya Hall (Building 74). Submission of form does not guarantee Bike Storage Access. Due to space limitations, students will be chosen through a random lottery. Selected residents will be notified via CPP Email. Bike Storage is for Residence Hall and Suites Students Only.
